PRESS STATEMENT OF VHP PRESIDENT SRI ASHOK SINGHAL

ALLAHABAD: In order to shield the Central Government and the Congress Party that are neck deep in corruption and also to corner the Muslim votes, the Congress general secretary Sri Digvijay Singh has off late been, as a measure of diversionary tactics, blindly and falsely targeting the Hindu organizations and Sadhu-Sants. The 2-G spectrum scam causing a loss to the national exchequer an amount of Rs. 176,000 crores, the ISRO scam causing a loss of 200,000 crores and the CWG scam are now the hot topics of discussion in all nooks and corners of the country. This Government is not willing to disclose the names of those that have stacked away huge black money in the Swiss Bank. This issue has been hanging fire for many years now. The people of India shall ensure that the Congress Government comes clean on the issue of all black money. Digvijay Singh has recently commented on Baba Ramdevji. The contributions that Baba Ramdevji has made towards the causes of globalization of the Patanjali Yoga system and the Ayurvedic system of medicine makes not only India but the entire world thankful to him.

Wildly attributing black money to the contributions in cash and kind made by the people of the country for running the spiritual and service activities by our Sadhu-Sants, Sri Digvijay Singh can neither save the dwindling image of the Congress nor can he ensure deliverance for it. Pointing fingers at the government machinery in the matter of the Batala House terrorist incident, visiting and encouraging people at Sanjarpur in Azamgarh that were involved in terrorist activities, making Pakistan happy by misleading the Indian nation about the 26/11 Mumbai terrorist act and unwittingly making a mockery of Sri Hemant Karkare's martyrdom by trying to misquote the latter, are a few of his perverted actions that give the impression that he is playing to the galleries of Pakistanis and other foreign forces.

Regarding the Godhra episode, I have to say that the Court of Law has clearly accepted it that it was the result of a big conspiracy that was meticulously carried out. But even then how could the kingpins of the conspiring circle get release orders – it is now a topic of discussion in the whole country. Truly speaking, in order that all such attacks on the Hindu society do never recur in future, it is necessary that all the convicts be hanged to death. The Congress spokesperson Digvijay Singh has been promoting the activities of Jihadis, and the country must beware of him. The Hindu society would give fitting reply to any humiliation heaped on the Sant fraternity.
