Condolence message of VHP International Working President Shri Alok Kumar:

New Delhi February 22, 2019. The Mahaprayan of Jagat-guru Ramanandacharya, puja Swami Hansdevacharya ji maharaj in a road accident, is an irreparable loss not only for the saint samaj but also for VHP and the entire Hindu society. His multi-dimensional spiritual and socially active personality will keep inspiring the Hindu society and the entire nation for ages. Puja Swamiji was one of those rare saints who were endowed with the rare quality of having a deep understanding of both spiritual and social issues. He used to struggle for the issues untill he achieves. He remained the Secretary General and President of the Akhil Bharatiya Sant Samiti and was its patron at present. He was also the Chief patron of the Panchnad Smarak Trust.

It was puja Hansdevacharya ji, who organised Dharma-Sabhas, all over the country, to bring awareness among the masses, on Shri Ram Janma bhoomi issue, when the court was not delivering the judgment. Subsequently, his guidance in the dharma-sansad at Prayagraj was contemporaneous and significant. Prior to the dharma-sansad at Prayagraj, he also presided over the Sarva samaveshi cultural kumbh and his contribution towards the Sewa projects was unique.

His work of uniting the different spiritual traditions of the nation was inspirational. The Dharmadesh Sabha organized in Delhi's Talkatora was a step in this direction. When a section of the Jain samaj bent on getting the Jains declared a minority community, he organized a meeting of the Jain saints in Delhi where he got the Dharmacharyas to pass a resolution that there is no minority community in India.

Despite donning such an important place of Jagat Guru Ramanandacharya, he was always available for every worker and saint. This great quality of his will always be remembered. The untimely Mahaprayan of such a great saint is an irreparable loss not only for Sant Samaj & VHP but for the entire Hindu society. We all will follow his footsteps and make his dreams come true.

Alok Kumar, Advocate

International Working President
