CBI Investigation in Assam: Fact: Ethnic Cleansing of Tribals & Other Hindus by Bangla Deshi Muslims Conspiracy by Govts to Punish Indian Citizens to favor Bangla Deshi Muslims

Assam Chief Minister Tarun Gogoi has recommended CBI investigation into severe violence in Assam. Reacting strongly on this, VHP International Working President Dr. Pravin Togadia demanded that the terms of reference of any investigation in the Ethnic Cleansing of original Tribes, other Hindus & non-Muslims on Assam should be those that protect Indian citizens. He also warned that any effort to treat Indian citizens in Assam at par with invaders Bangla Deshi Muslims will be treated as anti-constitutional.

Dr Togadia further said, "CBI should investigate as to HOW over 1 crore (10 million) Bangla Deshi Muslims came in & settled in Assam, WHO helped them, how they could establish 14 Jehadi Terror organizations, what was the role of Bangla Deshi support to them in getting weapons, WHAT did Govt of India & Assam Govt do ever to stop infiltration of Bangla Deshi Muslims in Assam? How in 30 constituencies in Assam, Bangla Deshi Muslims are such a big majority? WHO mobilized 25 Muslim MPs all over Bharat suddenly in a day to lobby for Bangla Deshi Muslims in Assam? Who are the forces to file a petition in the Hon Supreme Court of India to give Refugee Status to Bangla Deshi Muslims in Bharat while the Assam violence was going on? Was Assam violence a well-planned conspiracy by such forces to create the background for getting Bangla Deshi Muslim refugee status projecting them as victims when they were themselves involved in attacking Assam's original Tribes, Hindus & other non-Muslims? When trains, buses were halted in the Kokrazar, Dhubri, Chirang districts in Assam, HOW 'suddenly' SO MANY WELLS FILLED up Relief Camps especially for Bangla Deshi Muslims were up in half a day? WHO got international Human Rights activists so quickly there? WHO are the politicians & political parties that are beneficiaries of 1 Crore Bangla Deshi Muslims being in Assam? These should be the terms of reference of the CBI investigations."

"Ideally, not by biased CBI, but there should be an unbiased Judicial enquiry into the Ethnic Cleansing of original Tribes, other Hindus & non-Muslims in Assam that was done by Bangla Deshi Muslims. This Judicial Commission should have not only a senior Supreme Court Judge but also the representative of the Indian Army as the entire border area is militarily important for Bharat's safety & security. This commission should also have at least 1 representative

each of all original tribes in Assam.”

Dr Togadia said, “ANY effort by the Union Govt or the state Govt to ‘fix’ any Indian citizen including any tribes like Bodos or any other tribe / Hindu in violence in Kokrazar, Dhubri, Chirang & surrounding areas when they themselves have been victims of Ethnic Cleansing for years there, will be treated by all Bharat as Govts siding the enemy nation Bangla Desh who has been involved in terror attacks on Bharat through HUJI, IM etc. All Tribes, other Hindus in Assam & rest of Bharat will democratically stand together as ONE against any such conspiracy.
