Press Statement:

Deport disturbing Rohingya Muslims & save innocent Hindus : Dr. Surendra Jain  
New Delhi. Sept. 24, 2017. VHP supports and welcomes the decision taken by the central government on Muslim Rohingyas. Dr. Surendra Kumar Jain, the International Joint General Secretary Vishwa Hindu Parishad(VHP) today said that The Rohingya muslims have been caught indulging in terrorist activities in various parts of the country. They have been found indulged in illegal activities and become a threat to law and order wherever they reside. Despite this, the kind of support the secular mafia has been providing them is a cause for concern. The muslim community has been carrying out extremely aggressive demonstration in favour of the Rohingya Muslim. Such aggressive demonstrations by muslims has dangerous portents for the future. The unfortunate incident in Jaipur is a prime example of such aggression on display by the muslim community. VHP makes an appeal that this dangerous tendency should be curtailed by muslims of nationalistic thought and the governments in place before it may got out of control.

The joint Gen secretary VHP said that till now, it was supposed to be a Muslim-Buddhist issue but in the last few days, the incidents of barbaric killings and rapes of Hindu Rohingyas by Muslim Rohingyas in Myanmar and Bangladesh has proved that the Muslim Rohingya is equally heinously and cruelly disposed towards all non-muslims.

More than a 100 Hindu Rohingyas have been killed by the Muslim Rohingyas and some 45 bodies of Hindu Rohingyas have been exhumed till now. Hundreds of Hindus are missing. The Rohingya muslims are responsible for their disappearance. The Rohingya Muslims have been on the rampage even in the refugee camps of Bangladesh. They have been forcibly converting the Hindu Rohingyas to Islam. The Hindu women are being forcibly converted to Islam, Hindu symbols like bangles are broken and the sacred vermilion wiped off in the process of conversion. Hindu girls are being made into sex slaves. The Rohingya Muslim is

perhaps the world's most cruel community. Even in India, this cruel face of the Rohingya Muslim has been on display several times. To handle the Muslim Rohingyas, the policy of "No more newcomers, oust the existing ones" needs to be implemented.

Through the statement issued by shri Vinod Bansal, the national spokesperson VHP, Dr. Surendra Jain demands that the Rakhine Rohingya Hindus are getting affected in all sorts of barbaric ways. Their priority is not Indian citizenship. They are ready to relocate to any Hindu or Buddhist majority area in Myanmar. It is the government's moral and constitutional responsibility to grant them refugee status and provide a secure and blissful life in India. The Rohingya Hindu will have to be seen in a different light, different from the insurgent Rohingya Muslim.

VHP also appeals to the central government to pressurize the Bangladesh government to provide security to the Rakhine Rohingya Hindus. The central government should appeal to the Myanmar government to relocate and settle the Rohingya Hindus to a safe place. A VHP delegation will meet the Indian Foreign Minister, the High Commissioners of Myanmar and Bangladesh and apprise them of the condition of the Rakhine Hindu Rohingyas and request them to take quick action for their security. We have already started relief camps to serve Rohingya Hindus in Myanmar, Bangladesh & Bharat, VHP added.
