

Prayagraj (UP), 25th February, 2020 – Yesterday, some Islamic Jihadists with an evil agenda and conspiracy orchestrated attacks on Bhagwan Sri Valmiki temple with violence and arson at several other places in Aligarh, Uttar Pradesh. Unfortunately, many Hindus, including the head constable of Delhi Police, Mr. Ratan Lal, have been brutally killed in stone pelting, arson and firing by Jihadist rioters in many areas in the national capital Delhi too. The VHP expresses its condolences to the families of all those killed and wishes the dozens of police personnel and others injured to get well soon. There is a need to strongly crush those who have been breaking the law masquerading as protectors of the constitution and adherents of non-violence!

Due to Shaheen Bagh, chaos has been building up in the country for many days now and many anti-national and inflammatory speeches are also being given all over the country. Small-time leaders like Waris Pathan are making murderous statements against Hindu society. The Muslim society has to understand it seriously that if their leadership is in the hands of people with anti-national and violent dispositions, then the whole Muslim society will have to bear the consequences of their misdeeds. Therefore, they should give their leadership in the hands of people with patriotic, nationalist and non-violent credentials. History testifies to the fact that all the terrorists who attacked Hindu society for hundreds of years were defeated or neutralized or assimilated at the end of the day, and the Hindu society has nevertheless that capability even today. These days too, efforts are on under an agenda for obvious reasons to create unrest and violence in the country.

It seems that the present violence is a conspiracy hatched by politicians and political parties doing politics of minority appeasement to spoil India's prestige and image in the world community during Mr. Trump's visit to India. The Vishva Hindu Parishad strongly condemns it. A meritorious CAA passed by the Central Government will protect crores of Hindu, Sikh, Jain, Buddhist refugees who have sought refuge in India and shall also be granted Indian citizenship. The Vishva Hindu Parishad will also cooperate to neutralize the propaganda and misconceptions about CAA and help the persecuted minorities from Pakistan, Afghanistan and Bangladesh get Indian citizenship.

After the verdict of the Hon'ble Supreme Court for the construction of the temple at Shri Ram Janmabhoomi, Ayodhya the Vishva Hindu Parishad has announced a grand program in the entire country. Between March 25 (Varsh Pratipada) and 7-8 April (Hanuman Jayanti), more than two lakh villages across the country will be mobilised for grand Shri Ramotsav celebrations through Rath Yatras!

Recently, the Vishva Hindu Parishad undertook a countrywide campaign to connect the Hindu

society with the VHP organization through its Hitachintak enrolment drive and with this over 30 lakh Hindus got newly associated with the organization. For the help of the last man/woman in the last row in society, Vishva Hindu Parishad has been running over one lakh (100,000) service projects for education, health-care, women empowerment and skill development in the country. There is a plan for multi-dimensional expansion of these service works in Uttar Pradesh too
