

Banswara, Rajasthan, Jan. 30, 2020 - The Vishva Hindu Parishad (VHP) today runs over a hundred-thousand altruistic service projects across the country for the upliftment of the Hindu society catering to the needs in the fields of education, primary health care, economic self-reliance, women empowerment and skill development. More than 3 million (30 lakh) Hindus have been newly associated with the VHP through the recently concluded Hitachintak Abhiyan (Wellwisher drive).

The Citizenship Amendment Act (CAA) has to do only with the refugee brethren from religiously persecuted minorities (Hindus, Sikhs, Jains, Buddhists, Parsis and Christians) from the neighboring countries of Pakistan, Afghanistan and Bangladesh, who have come to India to seek protection and shelter. In the last one week, more than 3 Hindu and Sikh girls have been kidnapped and forced to become Muslims in Pakistan. It further confirms the *raison d'être* of CAA. The CAA is concerned only with providing security and citizenship to these refugees. The CAA does not take away the citizenship of any Bharateey.

Recently, a rally in support of the CAA in Lohardaga in Jharkhand state was attacked by a mob of violent Muslims, injuring many Hindus, burning down many their houses and causing unfortunate killing of Shri Neeraj Ram Prajapati! The Vishva Hindu Parishad strongly condemns these Jihadi attacks and demands that all those that organise it, must be booked and punished under the relevant sections of IPC for murder, causing riots, arson and damage to properties, etc. At the same time, VHP also demands fair compensations to be given to all the victim families. We strongly condemn the preplanned attacks on national properties, Hindus, their homes and business establishments with the agenda masquerading as CAA-protesters!

There is also a need to take stringent legal action against all those political parties who organize, provoke, participate in or support such violent programs. Violent attacks on Hindu society under the guise, pretext and excuse of such movements are absolutely unacceptable! None of these political parties came forward to help the Kashmiri Hindus by citing the Constitution when they were forced to flee the Kashmir valley. Therefore this violent movement is only a sponsored effort to divide the Hindu society.

People holding briefs for communist or churchian agenda and some political parties in Rajasthan are propagating that the Bheel society is not Hindu! But the fact is that many great leaders from the Bheel community, including the powerful Rana Poonja Bheel, freedom fighter Tatiya Bheel, Ven. Govind Guru Ji, Ven. Mavji Maharaj and Shri Mama Baleshwar Dayal Ji etc. led the Hindu society from the front to protect its Dharma and national culture. Therefore, the Vishva Hindu Parishad calls upon all sections of the society not to fall prey to

such mischievous propaganda.

The Hon'ble Supreme Court has accepted the historic truth of the Sri Ram Janma Bhumi as the birthplace of Bhagwan Sri Ram. Today, in the Central Government, there are several volunteers who were associated with Sri Ram Janma Bhumi movement. Thus, Vishva Hindu Parishad is confident that, following the verdict of the Hon'ble Supreme Court, the central government will soon put in place an appropriate system for the construction of the grand Temple on the birth place of Bhagwan Sri Ram in Ayodhya. The Vishva Hindu Parishad demands that it should not be a Government Trust, the temple should not be built by the government money. It should be built as per the model already popular in the society since the Ram Janma Bhumi movement. The stone cutting and chiseling works for the construction of the temple have been going on in Ayodhya for the last 27 years, that now near completion. Therefore, we demands that the Ram temple should be built with these stones and we believe that the faith and spirit of the Hindu society will be respected by the central government.

To celebrate, with utmost discipline and cheerfulness, of the Shri Ram Janma Bhumi Liberation Movement, Vishva Hindu Parishad is going to organize grand shri Ramotsav chariot yatras all over the country, covering lakhs of villages, even the bloc levels. It will be held during 25th March (Varsh Pratipada) Hindu New Year Day to 08th April (Hanuman Jayanti).
