## Separatist tune against Jammu & Kashmir is intolerable: Alok Kumar

**New Delhi, 25 August 2020** - Taking gravely the issuance of the joint declaration by some political parties against the revocation of Article 370 from Jammu and Kashmir, the Central Working President of Vishva Hindu Parishad (VHP) Advocate Shri Alok Kumar today said that the demand by different political parties to restore status quo ante in relation to J&K and Article 370 of the Constitution is not only against the national public sentiment but also a contempt of the Constitution, the judiciary and the Parliament as well as the height of opposition to the country. He said that while expressing his agreement and support on this joint declaration of 6 political parties, the applause of Congress leader and former Union Minister P. Chidambaram has once again exposed the anti-national character of the Congress. Also, the avowal by a former Chief Minister of the state of J&K that 'I wonder whether I would have been better off as a terrorist...', is a very reprehensible and provocative statement to push the people of the valley back to the path of terror. People of Bharat (including Jammu & Kashmir), shall never let off such people.

The VHP Working President said that the whole of Jammu & Kashmir (including the territories illegally occupied by Pakistan and China) is an integral part of India and the Parliament of India is free to take all kinds of decisions about it. After the revocation of Article 370, as the situation in J&K and Ladakh - the crown of Maa Bharati - is getting normal, with regular life coming on track, and the development of the region picking up pace, it seems that these opposition parties standing for separatists do not like these positive developments.

Shri Alok Kumar also said that the people of the country were fed up with the brunt of separatism and terrorism for decades. From August 5, 2019, the country was feeling some relief with curbs on the anti-national elements, but as suddenly this separatist thinking has once again shown its head, it has shocked and angered the people of the country.

The Vishva Hindu Parishad said that although all these parties, due to their similar acts and

handiworks, have already become irrelevant & neglected in the country, however, after the sacrifice of innumerable patriotic lives and 70 years of struggle of the entire country, the earning of this unprecedented freedom from 370 must be celebrated, and so the nationalist people of the country will give befitting reply in time to these supporters of 370 and separatist leaders!
