Allahabad, Nov. 27, 2013 - A Court of Law in Puducherry today acquitted Ven. Jagadguru Sankaracharya of Kanchi Kamakoti Peetham Sri Jayendra Saraswatiji Mahaswamigal of murder charges. Now it is clear that the then Christian Chief Minister of Andhra Pradesh Late Mr. Rajasekhar Reddy had, under a big conspiracy, arrested Ven. Sankaracharyaji in the dark of night on the eve of Diwali - the biggest Hindu festival (of Lights) in 2004 at Hyderabad. The arrest was made under an agenda to humiliate the topmost Mahatma of Hindus. Ever since Soniaji has got planted in Bharat she has been engaged in crushing our holistic, altruistic and syncretic Dharmic and Cultural beliefs, convictions and affiance. The Ven. Acharyas of the famous and leading 2500-year-old Adi Sankara School of Thought, who have been looked up to and adored by our society as virtually God in human form, were not only insulted but the respect and veneration of the society for them was laughed at by the media. It was all under a deliberate, well-planned and open Christian agenda to destroy the veneration and adoration of society for the Saints, Acharyas, Mahants and Mahatmas of the indigenous traditions of Bharat. The conspirators know that in order to be able to get hold of the power, assets, and resources of the great country Bharat (India) they have to completely uproot the Sant Fraternity and the pro-Hindutva organizations here. The proselytizing, land & economy-grabbing Christian forces have, therefore, been hatching conspiracies to show our Sant Fraternity on the wrong side law so that the society would look down upon them. With the clear and unblemished acquittal of Ven. Swami Jayendra Saraswatiji, this conspiracy has now been exposed. Conspiracies are being hatched to declare Pragya Bharati, Aseemanandji, and now I can also say, Asaram Babu who has crores of followers in Bharat, as criminals. The Hindu society can never forgive this disgusting conspiracy of Soniaji. She has to account for it sometime. The time has come our society gets fully exercised about the Vote Bank Secularists like Soniaji and the atheist organizations including Mulayam Singh and other Burqa secularists that have been proactive in crushing the indigenous culture and moorings of Bharat and totally uproot them in the Mahabharat of the 2014 Parliamentary elections. It is only then that our Hindu society and our Sants can remain safe and secure.
